Overview

A first-floor flat located within a short distance from Aberdeen City Centre, Beach Boulevard, Botanical Gardens and the University of Aberdeen. Being in such a great location, our research points to an achievable rent of £425+ per calendar month or 11.3% single let gross yield (approx.) based on the guide price. The property will also make an excellent owner-occupied first-time buyer home. The property has an Energy Performance Rating 'D' and is competitively priced for a fast open market auction sale.

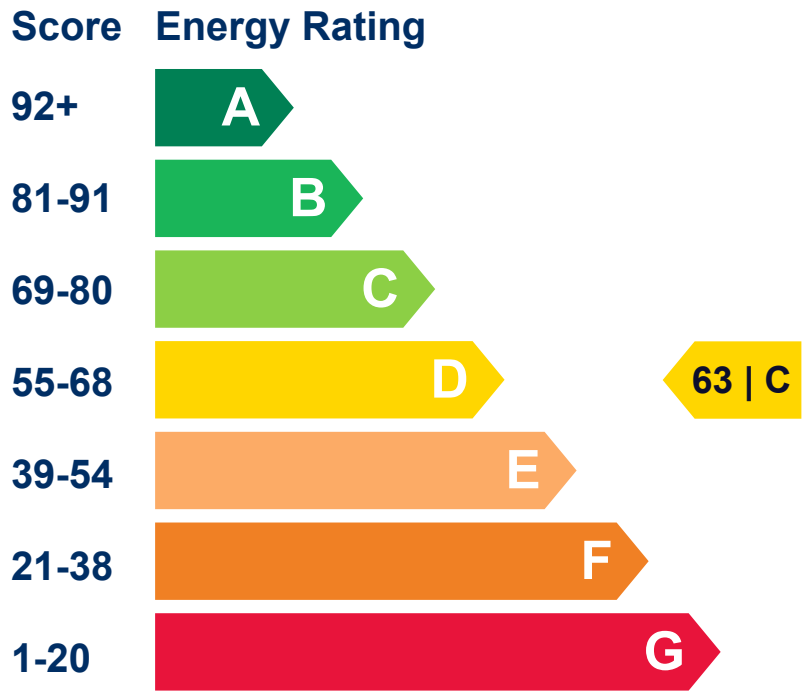

Description

The accommodation has been neutrally decorated throughout with coordinated flooring. Through the corridor, to your immediate left is the sizeable living room (199 sq ft) that draws in plenty of south-west facing light. This space directly connects with a fully fitted kitchen (65 sq ft). To your right is a good-sized bedroom (159 sq ft) that overlooks the front of the property. The fully fitted 3-piece suite bathroom is further along to the left (29 square feet). The property comes with a fence grassed area to the rear that exclusively belongs to the owner.

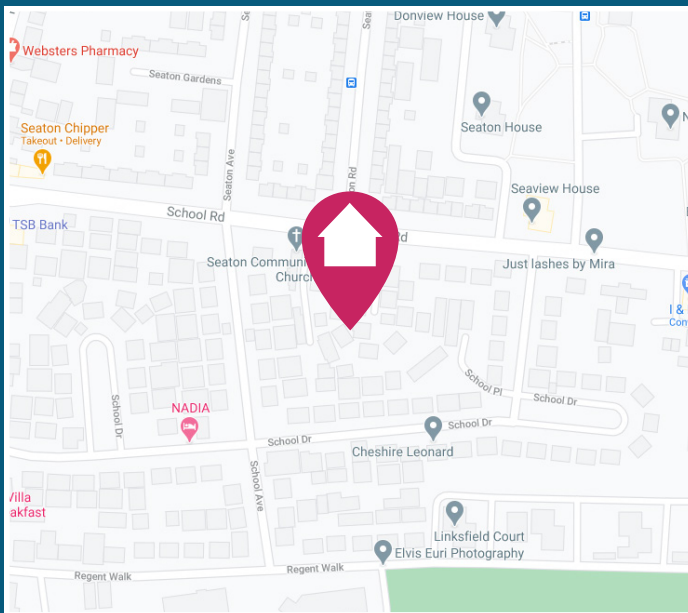

Energy Rating

At an EPC rating of D is in the middle of the range (from A, the best, to G, the worst). Most of the older properties here will have ratings of F or G, and some of the newer ones could score as high as B. It's very unlikely that any of them will rate an A, since that would indicate a home that costs nothing to heat and light, which is really pretty rare. For its age, a score of D is pretty good, and means that it's likely to cost a lot less to heat than most properties in the street.

Location

The property is conveniently located close to Aberdeen City Centre, Beach Esplanade and 11-acre Botanical Gardens as well as a number of parks and green spaces. There is a wide range of convenience stores, supermarkets, shops, takeaways and restaurants - all connected by excellent transport links. Aberdeen train station and Royal Infirmary are a respective 9 minute and 7 minutes drive away from the property.
